Q2_1. Thinking specifically about each of the following who have at some point all served as Education Secretary, how favourable or unfavourable a view do you have of them specifically in terms of their achievements and approach to their Education portfolio? Alan Johnson .....	15
Base: All respondents	
Q2_2. Thinking specifically about each of the following who have at some point all served as Education Secretary, how favourable or unfavourable a view do you have of them specifically in terms of their achievements and approach to their Education portfolio? Charles Clarke .....	17
Base: All respondents	
Q2_3. Thinking specifically about each of the following who have at some point all served as Education Secretary, how favourable or unfavourable a view do you have of them specifically in terms of their achievements and approach to their Education portfolio? Ed Balls .....	19
Base: All respondents	
Q2_4. Thinking specifically about each of the following who have at some point all served as Education Secretary, how favourable or unfavourable a view do you have of them specifically in terms of their achievements and approach to their Education portfolio? Justine Greening .....	21
Base: All respondents	
Q2_5. Thinking specifically about each of the following who have at some point all served as Education Secretary, how favourable or unfavourable a view do you have of them specifically in terms of their achievements and approach to their Education portfolio? Margaret Thatcher .....	23
Base: All respondents	
Q2_6. Thinking specifically about each of the following who have at some point all served as Education Secretary, how favourable or unfavourable a view do you have of them specifically in terms of their achievements and approach to their Education portfolio? Michael Gove .....	25
Base: All respondents	
Q2_7. Thinking specifically about each of the following who have at some point all served as Education Secretary, how favourable or unfavourable a view do you have of them specifically in terms of their achievements and approach to their Education portfolio? Nicky Morgan .....	27
Base: All respondents	
Q2_8. Thinking specifically about each of the following who have at some point all served as Education Secretary, how favourable or unfavourable a view do you have of them specifically in terms of their achievements and approach to their Education portfolio? Ruth Kelly .....	29
Base: All respondents	
Q3_SUM. Do you personally support or oppose each of the following? SUMMARY TABLE .....	31
Base: All respondents	
Q3_1. Do you personally support or oppose each of the following? Making GCSEs tougher to pass .....	32
Base: All respondents	
Q3_2. Do you personally support or oppose each of the following? Providing more technical courses as alternatives to university .....	34
Base: All respondents	
Q3_3. Do you personally support or oppose each of the following? Providing unisex toilets in schools .....	36

## Coalition for Marriage – Conservative Councillors Survey

Base: All respondents

Q3_4. Do you personally support or oppose each of the following? Scrapping university tuition fees .....	38
Base: All respondents	
Q3_5. Do you personally support or oppose each of the following? Allowing parents to decide when and how children should be told about sexuality and relationships .....	40
Base: All respondents	
Q3_6. Do you personally support or oppose each of the following? Promoting traditional models of family and marriage through the education system .....	42
Base: All respondents	
Q3_7. Do you personally support or oppose each of the following? The extension of grammar schools .....	44
Base: All respondents	
Q4_SUM. Do you think each of these policies is likely to win the Conservatives more votes at the next Election than they lose, or lose more votes than they win? SUMMARY TABLE .....	46
Base: All respondents	
Q4_1. Do you think each of these policies is likely to win the Conservatives more votes at the next Election than they lose, or lose more votes than they win? Allowing transgender people to change their legal gender without the need for medical diagnosis .....	47
Base: All respondents	
Q4_2. Do you think each of these policies is likely to win the Conservatives more votes at the next Election than they lose, or lose more votes than they win? Enabling more affordable homes to be built in your ward .....	49
Base: All respondents	
Q4_3. Do you think each of these policies is likely to win the Conservatives more votes at the next Election than they lose, or lose more votes than they win? Expanding grammar schools .....	51
Base: All respondents	
Q4_4. Do you think each of these policies is likely to win the Conservatives more votes at the next Election than they lose, or lose more votes than they win? Fitting unisex toilets in schools .....	53
Base: All respondents	
Q4_5. Do you think each of these policies is likely to win the Conservatives more votes at the next Election than they lose, or lose more votes than they win? Ensuring that all children are made aware of the importance of traditional marriage at school .....	55
Base: All respondents	
Q4_6. Do you think each of these policies is likely to win the Conservatives more votes at the next Election than they lose, or lose more votes than they win? Scrapping OFSTED and replacing it with a more objective and accountable alternative .....	57
Base: All respondents	
Q5_1. For each of these pairs of statements, which one do you most agree with? .....	59
Base: All respondents	
Q5_2. For each of these pairs of statements, which one do you most agree with? .....	61
Base: All respondents	
Q5_3. For each of these pairs of statements, which one do you most agree with? .....	63
Base: All respondents	
Q5_4. For each of these pairs of statements, which one do you most agree with? .....	65
Base: All respondents	
Q6_SUM. Do you agree or disagree with each of these statements about sex education? SUMMARY TABLE .....	67
Base: All respondents	
Q6_1. Do you agree or disagree with each of these statements about sex education? Children these days are exposed to sex education at too young an age .....	68
Base: All respondents	
Q6_2. Do you agree or disagree with each of these statements about sex education? Young people under the age of 18 are too young to decide whether their gender is right for them or not .....	70
Base: All respondents	
Q6_3. Do you agree or disagree with each of these statements about sex education? Young people should not be permitted to have hormone treatment or surgery to change their sex until they reach at least 18 years of age .....	72
Base: All respondents	
Q6_4. Do you agree or disagree with each of these statements about sex education? Parents should continue to have the right to withdraw their children from sex education classes if they wish .....	74
Base: All respondents	
Q6_5. Do you agree or disagree with each of these statements about sex education? Sex education should not be taught in primary schools .....	76
Base: All respondents	
Q6_6. Do you agree or disagree with each of these statements about sex education? Children in primary schools should not be shown videos about LGBT relationships or gender transitioning .....	78
Base: All respondents	

Fieldwork: 8th - 25th September 2017  
Prepared by ComRes

## **Coalition for Marriage – Conservative Councillors Survey**

Q7_SUM. Do you think sex and relationships education in schools should or should not include each of the following? SUMMARY TABLE .....	80
Base: All respondents	
Q7_1. Do you think sex and relationships education in schools should or should not include each of the following? Keeping children safe on the internet .....	81
Base: All respondents	
Q7_2. Do you think sex and relationships education in schools should or should not include each of the following? Teaching children about gender identity .....	83
Base: All respondents	
Q7_3. Do you think sex and relationships education in schools should or should not include each of the following? Teaching children to respect consent and personal boundaries .....	85
Base: All respondents	
Q7_4. Do you think sex and relationships education in schools should or should not include each of the following? Sexually transmitted infections and how to avoid catching one .....	87
Base: All respondents	
Q7_5. Do you think sex and relationships education in schools should or should not include each of the following? Teaching children about the importance of traditional marriage .....	89
Base: All respondents	
Q8_SUM. Do you agree or disagree with these statements about the Conservative Party? SUMMARY TABLE .....	91
Base: All respondents	
Q8_1. Do you agree or disagree with these statements about the Conservative Party? It is becoming increasingly difficult to express socially conservative views within the Party .....	92
Base: All respondents	
Q8_2. Do you agree or disagree with these statements about the Conservative Party? The Party is generally going in the right direction on social policy .....	94
Base: All respondents	
Q8_3. Do you agree or disagree with these statements about the Conservative Party? The Party is overly focused on politically correct causes such as on gender identity issues .....	96
Base: All respondents	
Q8_4. Do you agree or disagree with these statements about the Conservative Party? Introducing gay marriage cost the Party electoral credibility and alienated it from its supporters .....	98
Base: All respondents	
Q8_5. Do you agree or disagree with these statements about the Conservative Party? Introducing gay marriage was an expression of the Party's ability to modernise with the times .....	100
Base: All respondents	
Q8_6. Do you agree or disagree with these statements about the Conservative Party? Most Conservative voters want the Party to prioritise Brexit and the economy, rather than promoting socially progressive causes .....	102
Base: All respondents
